

TELEPHONE EXCHANGE CARRIERS OF ALASKA

ACCESS SERVICES

10. Special Construction**10.1 General**

This section addresses special construction of Telephone Company facilities which are used to provide services offered under this tariff.

When special construction is required as described in 10.2 following, the provisions of this section apply in addition to regulations, rates, and charges set forth in other sections of this tariff.

Charges will be computed for each specific application of Special Construction. The customer will provide written authorization to the Telephone Company prior to the commencement of any Special Construction. The computed charges for Special Construction will be based upon time and materials. The Telephone Company will notify the customer when Special Construction is required. A deposit of fifty percent (50%) of the Telephone Company estimated costs will be required before the commencement of construction. The balance will be due upon completion.

10.2 Conditions Requiring Special Construction

Special construction is required when suitable facilities are not available to meet a customer's order for service and one or more of the following conditions exist:

- The Telephone Company has no other requirement for the facilities constructed at the customer's request;
- The customer requests that service be furnished using a type of facility, or via a route, other than that which the Telephone Company would otherwise utilize in furnishing the requested service;
- The customer requests the construction of more facilities than are required to satisfy its order for service;
- The customer requests construction be expedited resulting in added cost to the Telephone Company;
