

On **Tuesday, September 8, 2009**, beginning at **5:00pm**, a **General Membership** meeting will precede the first **Representative Council** meeting of the 2009-2010 school year.

The purpose of the **General Membership** meeting is to vote on the recommendations from the Political Action Committee for Education (PACE). PACE will recommend candidates for Borough Mayor, Borough Assembly, and School Board as well as a position for the School Bond proposition for the October 6, 2009, elections.

You are invited to attend and vote!!!

Representative Council will follow the General Membership meeting. At least one representative from each site is invited and expected to attend to conduct business of the Association.

Both meetings will occur at the FEA offices at 2116 South Cushman Street.

A new school year means it is time to elect Faculty Building Representatives for each building where our members teach.

Article VI of the Fairbanks Education Association ByLaws states this election shall occur in September and a building may have one representative for each ten (10) association members working in that building.

With our first **Representative Council** meeting occurring on **Tuesday, September 8**, each building needs to conduct an election for building representatives on or before the first Tuesday in September. An email should be sent to fea@alaska.net reporting your building representatives.

Keep this date in mind!! The Fairbanks Education Association in conjunction with NEA Member Benefits will offer the class, **Securing Your Financial Future**, over the weekend of January 15 -17, 2010.

Your new NEA-Alaska membership card will be arriving soon with a pocket calendar. Watch for it in your mailbox.

Race & Healing classes will begin on Monday, Sept. 14 and continue for the following 8 Mondays from 5:00pm to 9:00pm at Denali Elem. Two graduate credits are available for \$150. To register, contact FEA at 456-4435.

As teachers we must believe in change, must know it is possible, or we wouldn't be teaching – because education is a constant process of change. Every single time you “teach” something to someone, it is ingested, something is done with it, and a new human being emerges.
