Only the brave should teach.  
Only those who love the young  
should teach. Teaching is a  
vocation. It is as sacred as  
priesthood; as innate a desire, as  
inescapable as the genius which  
compels a great artist. If he has  
not the concern for humanity, the  
love of living creatures, the vision  
of the priest and the artist, he  
must not teach.
