

On **Tuesday, February 9, 2010** the Rep Council will conduct its sixth meeting of the 2009-10 school year. The meeting is at the FEA office at 2118 South Cushman Street beginning at 5:00pm.

Have you seen the new NEA-Alaska website?

Have you registered so you are able to enter the Members Only portion of the website?

You should call the FEA office if you know the name of the person pictured at the top of the Members Only page, a prize may be yours.

Keep your eyes open for a new FEA website.

FEA's very own Bill Ernst has been working on improving our website to be more interactive. You will be seeing more pictures of members participating in association activities. So stay tuned for the next issue of the FEAdback!!

Above all things I hope the education of the common people will be attended to; convinced that on their good sense we may rely with most security for the preservation of a due degree of liberty.
