Major			
What type of degree will you earn upon graduation? (Please place a check in the appropriate box)	Associate	Bachelor	Other (please list)
Previous Degree(s) Received:			

REFERENCE LETTERS

Two letters of recommendation are required. At least one of the letters should be from a faculty member who is familiar with your educational program. Faculty recommendations must be on university letterhead. The references should comment on your character and potential for leadership, or making a significant contribution to an instrumentation, systems, and automation profession. This can be based upon specific examples drawn from your course work, projects, or activities. A confidential recommendation is not required. The person making the recommendation must sign each letter of recommendation.

Provide information about references below:

Reference Name:	Institution Name
Name of Dept.	Telephone E-Mail

Reference Name	Institution Name

ATTACHMENT OF SUPPORTING INFORMATION

Using a separate sheet(s) of 8 1/2 x 11 paper (single-sided), include the following information to support your application. Please type and attach your information in the order in which it is listed below. Items 1 and 2 may be included on the same sheet.

1. Activities and Honors

- List career-related extracurricular activities in which you have participated
- List any non-career related activities
- List academic honors, civic honors, or awards you have received
- List any professional and honorary society memberships

2. Employment Record/ Work Experience

- List any jobs you have held. Include the names of the employers, the dates of employment, and the type of work you performed.

3. Essay Question

- Succinctly describe your ambitions and qualifications as an innovator or future leader in a career in instrumentation, systems, or automation. Describe your career objections and how the award of an ISA Technical Scholarship would help you attain your objectives. Explain why you want to enter this particular field of engineering. Comment about what you have achieved and learned through your studies and activities, and what this indicated about your character and determination. Your essay should not exceed 500 words and should be typed, double-spaced.

4. Educational Record

- Include an unofficial copy of all post-high school transcripts with this application that includes all courses attempted and/or complete to date. **Web documents must include your name and social security or student I.D. number.** Be sure all transcripts are legible.

5. Alaska Residency Documentation

- Include Alaska Residency documentation (i.e. Alaska voter registration, Permanent Dividend receipt, etc.)

APPLICANT'S CERTIFICATION/PERMISSION TO RELEASE INFORMATION

I hereby certify that all information submitted on this application is true and accurate to the best of my knowledge. By submitting this application, I authorize my college/ university to make available to ISA information concerning my academic records.

I understand that falsification of any information on this application disqualifies me for any current or future ISA Technology Scholarship. I also understand that all applications will be evaluated on educational achievement, work experience, and the essay submission and that scholarship(s) will be awarded in merit. Submissions of an application in no way guarantees that a scholarship will be awarded and incomplete applications will not be considered.
