

Annual Membership Fee

Due on or before September 1 of the year to ensure voting privileges at the Annual Banquet in October.
New memberships after March 1 are reduced by 50%

The greater Talkeetna area is being impacted by an unprecedented surge of growth, creating many challenges and opportunities. There is much work to be done in addressing these issues. You can be a part of that effort. One of the main objectives of the Talkeetna Chamber of Commerce is to help determine our own future through our collective efforts.

Through “networking” with other members we gain the strength of knowledge. We are able to make more informed choices and can voice our individual concerns to the group.

By joining the Talkeetna Chamber of Commerce you can:

- Have a voice in Talkeetna’s business affairs.
- Be informed – your Chamber is usually the first to receive legislative updates, business opportunities and information on issues that impact our area.
- Have a listing on the Chamber’s website at www.talkeetnachamber.org
- Have your rack cards displayed at the community kiosk.
- Have representation via the Chamber sponsored booth at the Anchorage Winter Recreation & Travel Show in September and the Anchorage Sportsman’s Show in April.
- Enjoy guest speakers from private industry and government.
- Gain exposure to potential clients or customers.
- Connect with other statewide organizations.
- Receive business and co-op advertising discounts.

We can all work together to provide and maintain the best for Talkeetna by volunteering on committees, performing research, staffing booths, attending meetings, posting notices, writing letters, making phone calls, sharing information, implementing ideas, conducting or hosting meetings, and promoting community spirit.

All of these things are possible through this local forum.

Please fill out the Membership Application (page 2 and 3) and send it with your check to:

Talkeetna Chamber of Commerce
