## Mariner Softball

### 2012 Season

(to be kept at home - do not return)

We will do our utmost to keep you informed of the plans, schedules, games and administrative decisions that are part of Mariner Softball 2012.

These are the ways we will send information to you

**Direct email** – with the parental/guardian email address provided on your daughter's information sheet. If you have a blended family or need several different emails sent out please make sure she lists all of those. You will tire of my emails by season end.

**Web Site**- This is the ultimate truth for any information about the Softball program. It is at [marinerssoftball.net](http://marinerssoftball.net) or [www.marinerssoftball.net](http://www.marinerssoftball.net). The website has been redesigned this year and should be intuitive to navigate. You will notice that in addition to the main page there is a tab just for parents that will have a running log of all emails, necessary forms, etc. If there is something you wish to see on there, please let me know.

**Facebook**- link to Homer Mariner Softball and “friend” us and updates will come to your own Facebook page. Also reachable through the web page.

**Twitter**- reachable through [www.twitter.com/marinerssoftball](http://www.twitter.com/marinerssoftball) and any updates from Facebook will be delivered to your mobile phone. Also reachable through the web page.

**Phone**- I am available at home phone 235.7739 and have no problem taking calls until 10:30pm. Please do not call the office (235.8586) unless it is an emergency. Cell- 399.1042-just not during practice times please unless urgent.

**Email** – From 7pm to 7am you can reach me at [wmbell51@gmail.com](mailto:wmbell51@gmail.com). If you need to reach me during the day and it is not urgent you can use the office email [billbell@homermedical.org](mailto:billbell@homermedical.org). I check that a couple of times during the day but it may be several hours- Title it “Softball” and I can get to it sooner.

**Mary Jo Campbell** ( JV Coach and Conditioning Guru) can be reached at [mjcmb@aol.com](mailto:mjcmb@aol.com), 299-8505

**In Person**- yes, there is still a role for face-to-face contact. We can always schedule a sit down discussion.

**RULES:** please be respectful of other parents, players and coach preparation time for both games and practices. If you want to discuss an issue related to playing time, positions, game incidents or any issue where you feel that your daughter has been slighted please wait 24 hours prior to contacting us. We promise that we will do our absolute utmost to treat you and your daughters with respect, support, positive instruction and not do anything that would be demeaning, embarrassing or detrimental to their growth. We will support you and ask that you support us in your conversations with your daughters.

**PS**- Need lots of volunteer help for field work, fund raising, driving, scoring, the list goes on and on. Let us know what you can do.
