

Drug and Behavior Contract

Homer High Softball - 2012

I have read and agree to abide by the following Drug and Alcohol policy from the Kenai Peninsula Student Activities Association Handbook. I understand that this applies from the start of practice on March 5th through the last official game of the season.

*“Basic Training. In order to promote a positive co-curricular environment, basic training rules are established that require student-athletes to abide by school and district policies as well as civil laws of the community. Training rules are in effect **24 hours a day** and will be enforced from the first day of the season as set by the ASAA Calendar. A co-curricular participant will be suspended from participation and practice for that activity season or 30 consecutive days, whichever is longer (except as provided in paragraph 2) for items a, b &c:*

- a. Alcohol –under the influence, in possession, in proximity*
- b. Illegal drugs or paraphernalia-influence, possession, delivery and proximity*
- c. Misuse and/or abuse of prescribed drugs or over-the-counter substances.*
- d. Tobacco use or possession in any form will result in a two week suspension from competitive participation, not practice. A second offense will cause dismissal from participation and practice from that activity for the remainder of the season.*

***PROXIMITY** is defined as being in the same vehicle, house, location, party etc. where you know alcohol/drugs are in illegal possession by minors or you willingly remain in a location where you are aware alcohol/drugs are being illegally consumed.”*

I hereby pledge my **word of honor** that I will abide by the previous policy, that I will not involve myself in any illegal activity while a member of the softball team and that I will not tolerate or condone illegal activity in my teammates.
