

THE BURGESS FAMILY COCKE AND GREENE CO. TENNESSEE

1850 Census Cocke Co., Tennessee

Name	Age	Sex	Born
775-795 Burgess, Joseph	53	M	Ga.
Percy	50	F	SC
Coleman	20	M	SC
Martha	17	F	SC
John	15	M	SC
Asberry	13	M	SC

795-797 Simpson, Thomas	38	M	NC
Martha	50	F	NC
Catherine	42	F	NC
Pherebe?	19	F	NC

I believe that Pherebe Simpson becomes Coleman's wife Ferriby. First because they are the same age (the census could have been done between their birthdays), and second because Coleman and Ferriby's first daughter is named Martha C. which could be for the two adult women in her house (Martha and Catherine). Need confirmation and need to know which of these women is her Mother..

Coleman	29	M	(s/o Jos. & Purcy)
Ferriby	29	F	
Martha C.	5	F

Joseph M.	2/12	M	

I believe they have another son Colman J. in 1861. He is in Greene Co. in 1870. (Coleman joins the Confederacy along with his brother Asbury Sept.10 1862 at Newport. Coleman dies at Vicksburg, Miss. In the Hospital 1-6-1863. Is buried there at "Soldiers Rest" grave # 606.)

According to Chas. Owens a descendant David dies in the Union Army, and Sarah tries to return to her family in Ga. Or SC But only gets as far as Haywood Co. (Clyde) NC. George goes on and is never heard from again.

Winny must be a second wife. She is not old enough to be the mother of the children who were born in SC.

Father bn. in SC. Mother born in Tenn. Could this be the son of Coleman and Ferriby?

Who are the other Burgess children?

During this year (1880) a Joseph Burgess marries a Florence Smith on Sept. 9, 1880 in Cocke Co. Tn.

I need the 1880 Census for Greene Co. Tn. To check on Coleman's family.
